### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Claim 11 was allowed because the prior art of record does not teach or render obvious the total method claimed, including the step of outputting printed media in multiple streams, and transporting the printed media along first and second path sections that transport media in opposite directions along parallel paths. The reference to Cocklin et al. (US 6,682,237 B2) does not meet the limitations of claim 11 because Cocklin et al. does not teach outputting in multiple streams as recited.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
